

Key Bible Stories:

- 📖 Jesus heals a paralysed man – Mark 2:1–12
- 📖 Jesus heals a leper – Mark 1:40–45

What do Christians believe?

- ❖ Jesus healed people to show God's love and compassion.
- ❖ Healing miracles are signs of God's Kingdom.
- ❖ Jesus healed people both inside and out.
- ❖ Christians believe God still cares about people who are ill.

Types of healing:

- 🦿 Physical healing: the body getting better from illness or injury.
- 💖 Emotional healing: feelings improving after sadness or worry.
- ✨ Spiritual healing: forgiveness and closeness to God.

How does this affect Christians today?

- Christians pray for people who are ill. 🙏
- Churches care for people in need. 🤝
- Christians try to show kindness and compassion. ❤️

Remember: Christians believe healing shows that God loves people and wants to restore the world.

Key Vocabulary:

- ❖ Healing – making someone better.
- ❖ Miracle – something amazing that shows God's power.
- ❖ Compassion – caring deeply about others.
- ❖ Forgiveness – being sorry and being made right again.
- ❖ Salvation – being saved and restored by God.
- ❖ Kingdom of God – God's rule of love and peace.
