At Longwick, our vision is rooted in a commitment to excellence. We aim to serve our community by providing an education of the highest quality within the context of Christian belief and promoting Christian values through the experience we offer our pupils. We take pride in providing strong pastoral support in a safe learning environment where all are valued, celebrated and nurtured for who they are.

We strive to prepare every child for the challenges and changes of the future by enabling them to build strong foundations so that they can achieve the highest standards in their personal development.

The school preserves and develops its religious character in accordance with the principles of the Church of England and in partnership with St Mary's Church, Princes Risborough.
