Dear Families,

We enjoyed a lovely whole-school Harvest Assembly on Friday, bringing all our children together to celebrate and give thanks for the food we have and the wonderful world around us. Every class contributed to the celebration through songs, poems, presentations and reflections, making it a truly special occasion. It was wonderful to see the children sharing their learning with such enthusiasm and confidence. Our assembly also reminded us of the importance of gratitude, kindness and helping those less fortunate than ourselves. A big thank you to all the children and staff for making our Harvest celebration so memorable.

We say thankyou to the One Can Trust, who will be collecting and distributing all the donations so thoughtfully gathered by our school community. Your kindness and generosity will make a real difference to those in need and we are so grateful for your continued support.

Community Police Visit – Road safety

Last week, our Community Police Officers visited school to talk to the children about staying safe when riding their bikes. They discussed the importance of wearing helmets, wearing high-visibility clothing and avoiding dangerous behaviours such as wheelies, tricks and showing off. The children found the visit useful and had time to reflect on their own cycling habits and how they can make safer choices.

Please take a few minutes to talk to your child about what they learnt and reinforce the importance of riding safely and responsibly, particularly when cycling around our village and on local roads.

Safeguarding

A gentle reminder to please park carefully and considerately when using the Village Hall car park. In particular, please avoid parking too close to or overhanging the footpath, ensuring there is sufficient space for children, families with buggies, scooters and wheelchair users to pass safely. Keeping pathways clear is essential for everyone's safety and accessibility. Thank you for your Cooperation and consideration for others.
