Longwick CE Primary School Year 1 Autumn 2 Curriculum Map – Toys from the past

Maths:
This half term we will be studying shapes. 2D and 3D specifically their edges, sides, corners and apex. All children will use shapes, manipulate them and create shape pictures using tan grams. They will then move on to repeating patterns and use both colours and shapes.

Literacy:

The children will begin to write sentences using their phonics. They will use tricky words, neat handwriting with correct letter formation and re-read their own work. We will all be concentrating on pencil grip and control.

Reception Autumn 2

Celebrations

Understanding the World:

This half term children will be studying different celebrations from around the world. These will be linked specifically to the time of year.
We will discover: Hannukah, Birthday, Diwali, Chinese New Year, Christmas.
We will also be running our own Pizza café and train station, building upon ideas.

Communication and Language:
-How can you project your voice?
-Can you remember your lines?
-Can you speak clearly?
-Can you sing as a group?

RE:

Belonging

What does it mean to belong to a community?
What stories do different religions believe and what celebrations do they have linked to them?

Personal social and emotional:
We will all be working in our lines as teams to create themed resources based on the religion and celebration. Each child will be working on using sharing vocabulary and kindness in order to help their friends.

Physical Development:
-Balancing outside, building obstacle courses.
-Designing a dance based on music we can hear linked to celebrations we are studying.

Expressive Art and Design:
-Making Diva lamps.
-Designing a menu/posters and resourcing a pizza café.
-Making cars for delivery drivers.
-Making noodles.
-Making costumes for our nativity.
